

Vaccine Happy Hour Follow-Up Wellness

The Cat and Dog Clinic now offers **Vaccine Happy Hour!** During this time, bring your cats and dogs for their shots at **discount prices!** **All dogs must be on leashes, and all cats must arrive in pet carriers.** Dr. Brousse will give each animal a brief exam before administering vaccines.

Note: Only healthy animals will be given shots during Vaccine Happy Hour.

Please mark below which vaccines you'd like your pet to receive today!

DOGS

- Rabies:** \$10
- Canine DA2PPL(Distemper):** \$12
- Bordetella/Parainfluenza:** \$12
(Kennel Cough)
- Deworm:** \$12
- Flea Treatment (Vectra):** \$17.50

CATS

- Rabies:** \$10
- Feline Upper Respiratory:** \$12
- Feline Leukemia:** \$15
- Upper Respiratory + Leukemia:** \$25
- FIV:** \$24
- Deworm:** \$12
- Flea Treatment:** \$17.50
(Revolution or Advantage)

For all pets who participate in Vaccine Happy Hour, we suggest a follow-up appointment for a **complete annual exam.** We offer **special packages** including diagnostic testing for pets that have already received their vaccines. ***Every dog and cat should be heartworm disease tested each year.*** Cats should be treated with **Revolution** monthly to prevent fleas, heartworm disease and ear mites. Dogs must take a heartworm preventative such as **Interceptor** year-round to prevent heartworm disease, which is easily transmitted through mosquito bites.

**Dog Packages: \$175
(\$55 Savings!)**

- Doctor's Consultation
- Complete Blood Count (CBC)
- Blood Profile 14 Test
- Heartworm Disease Test

**Cat Packages: \$205
(\$75 Savings!)**

- Doctor's Consultation
